# About A Taste of Animethon

---

A Taste of Animethon was created in 2010 by ASAPA as a Smaller winter event companion to the larger summer Animethon Festival. It has grown to include many different genres, including anime, video games, and pop culture. If you are involved in the anime, comics, modeling, gaming, or Japanese cultural products industry, or if you're just looking for an easily accessible way to garner the attention of A Taste of Animethon's youthful demographics, let your potential customers know through advertising and sponsorship of the festival.

The Exhibitor Hall occupies Hall A at the Edmonton Convention Centre and is shared by Vendors, Industry, and the Artist Alley.

Whether you are interested in purchasing space with us or have questions, our staff would be happy to hear from you.

Regards,

## 8.0 COVID-19 Addendum

The health and safety of our Animethon community is our top priority. Animethon is committed to providing a safe and healthy environment for everyone at our events as much as possible.

As such, ATOA:SR is instituting a **double vaccination requirement** for **all staff, artists, exhibitors**, etc. To volunteer or attend this event, everyone 12 and over will be required to provide proof of double vaccination. This will also apply to those under 12 once vaccinations are approved for those age groups. In addition, **masks will be required at all times indoors** except when consuming food or drink in designated areas. No exemptions or rapid testing will be accepted in lieu of vaccinations.

Vaccination against COVID-19 is the single most effective public health measure to reduce the spread of COVID-19. Requiring everyone at the event to be fully vaccinated against COVID-19 and to provide proof of vaccination will best support Animethon's efforts to minimize the risk of exposure to COVID-19 as much as possible.
